

Meet Our Board

Stacy Ohlsson

Board Member

Stacy has a master's degree in special education, with a focus on learning-disabled and emotionally disturbed students in grades K-12. She understands the population that TWC serves and the issues affecting residential treatment. For years, Stacy served as a mentor to a resident at the Lincoln House. As a long-term supporter of TWC events and an organizer of others, she brings expertise around planning and promoting special events.
